

# BICYCLE AND PEDESTRIAN MASTER PLAN

Please fill out our Public Survey!

## OUR VISION

The City of Dublin is a vibrant place where walking and biking are **safe, comfortable, and convenient** ways to travel and connect individuals, **inclusive of all ages and abilities**, to local and regional destinations.

## GOALS

-  **Enhance Safety** Prioritize safety in design and implementation of walking and biking facilities.
-  **Increase Walking and Biking** Support biking and walking as attractive modes of transportation.
-  **Improve Connectivity** Develop a bicycle and pedestrian network that provides well-connected facilities for users of all ages and abilities.

 **Enhance Accessibility**  
Utilize principles of universal design to make biking and walking a viable transportation option for all, including people with disabilities.

 **Prioritize Investments**  
Maintain sufficient funding to provide for existing and future bicycle and pedestrian needs, including supporting programs and operation and maintenance. Leverage biking and walking projects to promote economic activity and social equity outcomes among people of all ages and abilities
